Message from the President

Third BOT meeting of the academic year 2020/2021

The third BOT meeting of the academic year 2020/2021 was held on the 26th of May 2021 under the chairmanship of Prof Waheeb Al Khaja, Chairman of the Board.

Prof Waheeb welcomed all members to the third meeting and highlighted the future directions of the University in light of the recent changes in the Higher Education Council. The President and colleagues from the senior team then covered items related to the progress since the last meeting of the board including our achievements in teaching and learning, research and community engagement, health and safety, marketing and students recruitment, program reviews, and NQF placement of academic programs. The Board endorsed our budget for 2021/2022 which will go to the Board of Directors for approval. In addition, the Board approved our operational plans for 2021/2022 and checked our progress for the current academic year. Some minor changes to the bylaws and risk register and a proposed streamlined committee structure were also approved. Some proposals for new academic programmes and other initiatives were discussed and initial approval was granted.

The Chairman of the Board of Trustees concluded the meeting by thanking all academic and administrative staff for their hard work and for the great achievements this academic year.
