# Fellow – Application Template (PSF ٢٠٢٣)

Your application for Fellowship consists of a **٣,٠٠٠-word reflective narrative shared across all five Areas of Activity plus citations** (overall maximum of ٣,٥٠٠ words).

You will need to **continue to refer to the applicant guidance and Descriptor ٢ of the PSF ٢٠٢٣** as you prepare your application to ensure that you are writing to meet the requirements.

You must structure your Reflective Narrative around **all five** of the PSF ٢٠٢٣ Areas of Activity. You will be able to use the relevant boxes below to complete your draft application.

When you have finalised your application, send it to both of your two referees so that they can write their Supporting Statements. Please direct your two referees to Advance HE's [Fellowship Guidance for Referees](#). The referees need to return their Supporting Statements for you to upload with your application into the ASU portal.
